Dear Ms. Adams:

We are in receipt of your letter dated November 12, 2004 regarding the aforementioned report.

This report has been amended to reflect Schedule H1.

In regard to Schedule B Line 30(b) for the salary and wages of the employees; none of these employees were spending more than 25% of their compensated time on Federal Election Activity. These were simply paid with 100% federal funds and therefore this was reflected as an operating expenditure on Schedule B, Line 21(b).

At this time the committee believes to in compliance.

Sincerely,

Chrissie Hastie
